

THE BIG WALK AND CYCLE 2017

INFORMATION SHEET

Key Information:

Husband and Wife team, Dave and Sian Nicholls, along with their Son William, will be working their way from Sword Beach in Normandy, France, all the way to Berlin, Germany, by walking and on bike. Dave will be undertaking the entire route whilst Sian and Will will accompany him on some days, and act as the support team on other days.

The Big Walk and Cycle is being undertaken to raise monies for charity, with the proceeds raised going to Cancer Research UK, and The Royal British Legion – two charities that both Sian and Dave feel very strongly about supporting.

Departing Sword Beach on the 30th of July, 2017, the aim is to arrive in Berlin on the 20th of August, with the finishing point at the Reichstag Building.
